

Congressman Pence was featured in a *FOX News* "Special Report" package on Democrats' attempts to use Rush Limbaugh as a distraction from their policies.

### **Transcript:**

**Jim Angle:** But Republicans point to a number of public opinion polls showing President Obama is far more popular personally than his policies are and argue Democrats are simply looking for a diversion.

**GOP Leader Boehner:** This is nothing more than a distraction created by the Administration to take people's attention away from the fact they are trying to raise taxes and grow the size of government.

**Congressman Pence:** The reason why you see Democrats trying to change the subject and talk about Rush Limbaugh or other issues is because they know when the American people focus on their tax and spend agenda, they're going to know that's no pathway to prosperity.
